Class 2

Autumn 2026 Movers and Shakers

Topic Overview	This project teaches children about historically significant people who have had a major impact on the world. They will learn to use timelines, stories and historical sources to find out about the people featured and use historical models to explore their significance.
English	• Biographies, Newspaper Reports, Posters.
Mathematics	• Place Value, Addition and Subtraction, Shape.
Science	• Human Survival • Habitats
RE	• Who is a Muslim and what do they believe? • Why does Christmas matter to Christians?
Humanities	• History – Researching significant people such as artists, activists and scientists. Discussing the impact they have made and using timelines. • Geography – Let's Explore the World: maps, atlases, keys. Characteristics of the UK and comparing them to a non-European country.
Computing	• Computing Systems and Networks; Creating Media
PE	• Yoga and Fundamentals • Dance and Ball Skills
Art & DT	• Exploring Colour and Still life • Push and Pull
PSHE	• Health and Wellbeing • Families and Relationships
Worship Theme	• Generosity and Courage
Home Learning	Why not get together as a family and explore your local area or a place you are visiting to learn about any important or inspiring people that come from there. Can you spot any monuments or statues dedicated to a special person? You could also talk about people that inspire you. Is there somebody you would like to be like when you grow up? Maybe you could pretend to be an artist, scientist, explorer or monarch. In Science, we will explore humans including growing up. You might like to look back at old photos and see how much you have changed over the years.
